

## **Placement Test Schedule**

2009-2010

For the 2009-2010 school year, SSIS will be providing a placement test each school week on Tuesday at 10:30 a.m. Following the placement testing you will be invited to an Orientation Day on Friday and your child will be admitted the following Monday.

Your child will be scheduled for a placement test once your application is complete with the supporting documents provided, and the application fee is paid. Our Admission Officer will work with each family to schedule a testing date that best fits your needs.
