

## SSIS Apple 1-1 Laptop Program Cost

Students Grade 6-9 are required to have an Apple laptop for the 2009-2010 school year. Families may choose to purchase or rent a laptop from SSIS or purchase outside of school. Two models are available to students, each including Microsoft Office and the 3 year Apple Care extended warranty. Either is acceptable by SSIS standards. If you choose to purchase through school, please contact our Finance department to make payment arrangements.
